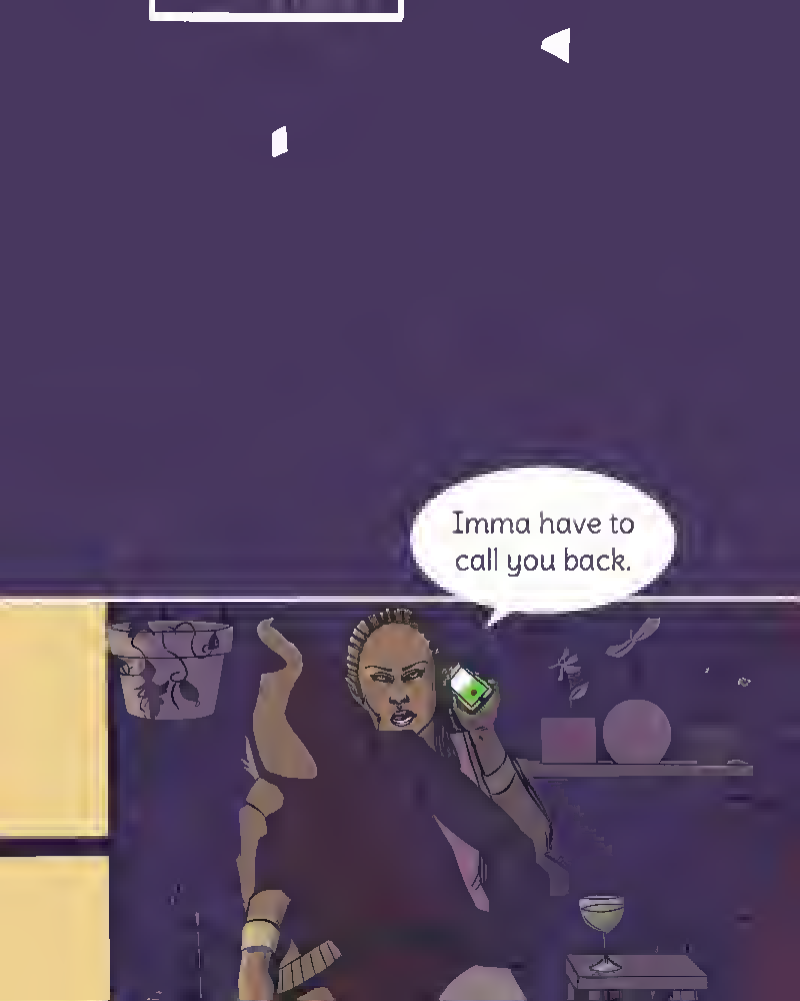
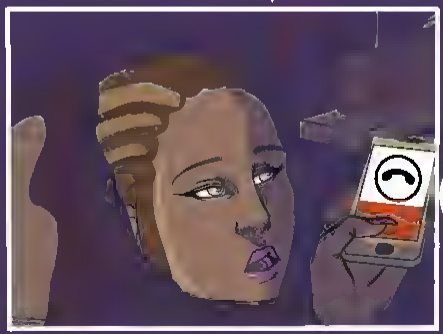
Episode 2

RRRRRRRRRRR

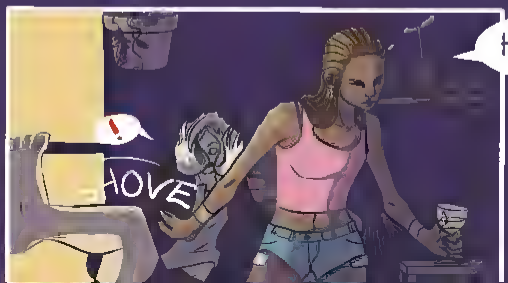


Imma have to call you back.



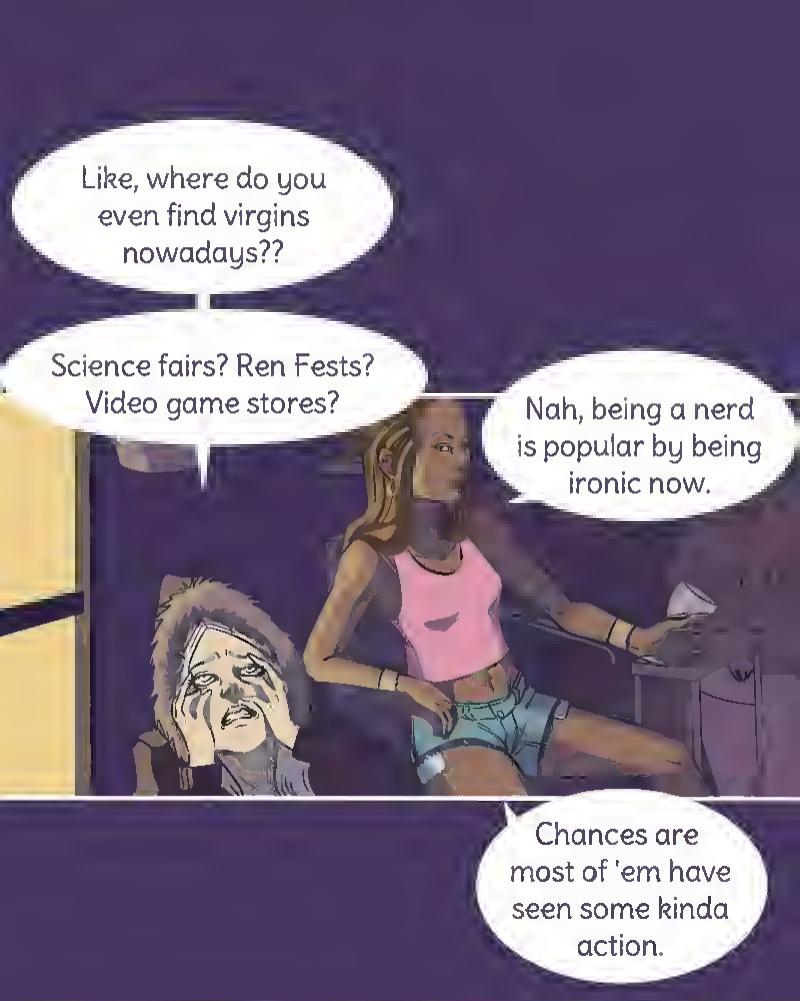
Welcome home, Shay.
What the hell do you want?

So you know how I went to that old hag?
Yeah she fucking did.
She told ya you need a virgin, didn't she?

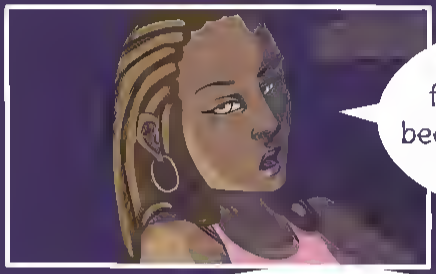


Ha, classic.
HOVE

Although I ain't surprised with what you're trying to do.
Ugh, she's such a B-witch.
B-witch? Seriously?
I'm sorry, is C-wunt better?
Yes.

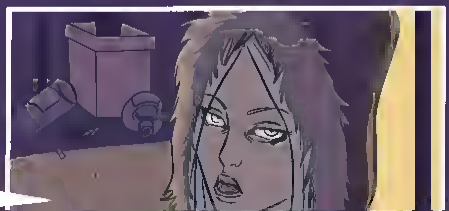


Like, where do you even find virgins nowadays??
Science fairs? Ren Fests? Video game stores?
Nah, being a nerd is popular by being ironic now.
Chances are most of 'em have seen some kinda action.



You just needa find someone that's been living under a rock most of their life.

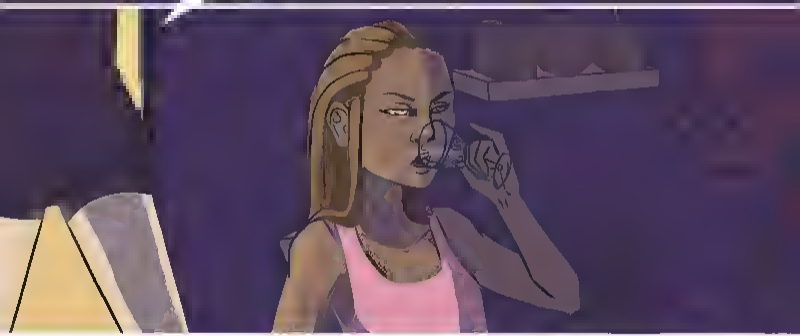
Although getting them to agree to your ritual is another thing.



Who says I'm gonna give them

a choice?

I need a drink.



Fair enough.

CHEERS!!
Thanks for coming out and celebrating with me, guys.

Marriage is not a death sentence, Dean.
Of course, it's not every day your friend signs his life away.

Tell that to your social life, *Lance.*

Guys...

Anyway, time for games!

Kieran, you first.

...Fuck.

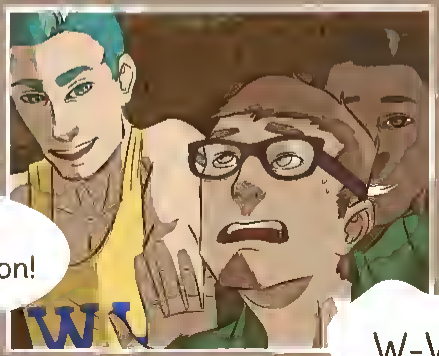
Look, you finally came out with us instead of cooping yourself up in the lab.

Yeah, but -

You're playing.

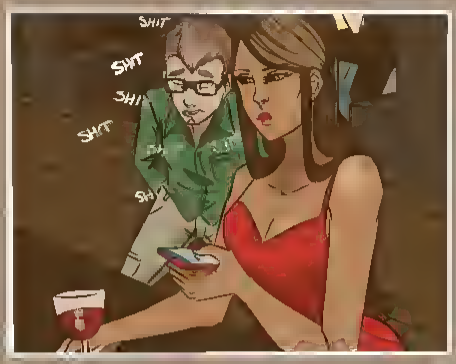
Aight, something easy, something easy...

...Go hit on that girl



Get her number, son!

W-WAIT -



I have a

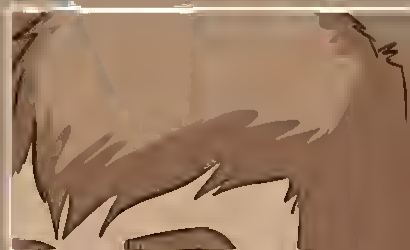
girlfriend.

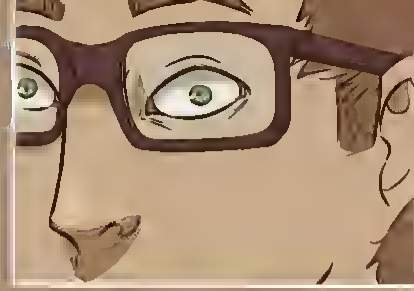
AH! Yes, sorry I -

Oh, God,
sorry miss -

...I...uh..

I'M SO SORRY, MY FRIEND
MADE ME COME OVER HERE AN
I REALLY DIDN'T WANT TO AND
I'M JUST GONNA GO BACK SO
THEY CAN LAUGH AT ME





...Wait...
